# European PR

The European network of trade journalists, writers and photographers

# Trade journalism in Europe? We've got it covered!

Whether you're an editor in need of local representation or a marketing communications executive seeking local PR support, European PR has the solution.

European PR is a network of highly-experienced and respected journalists, writers and photographers strategically located across Europe.

Using their local expertise and local language skills, they can meet all your journalistic, photographic and marketing requirements on a highly-focused and localised basis.

European PR's services include job application stories and customer testimonial articles that can be used on both offline and online publications and as marketing and PR collaterals.

*In short, if you need trade journalism or PR support in Europe, European PR has it covered!*
